## **Become a Certified Tax Representation Consultant!**

<https://taxrepllc.com/ctrc/>

The Certified Tax Representation Consultant (CTRC) program provides qualified professionals with advanced training in all five key areas of tax representation enabling them to advance their careers and market their credentialed expertise to clients.

The CTRC credential sets tax professionals apart in the market as a trusted professional who offers the best solutions to taxpayer issues. With billions in new funding and automated enforcement beginning again for the 25 million taxpayers in trouble, completing the CTRC program now will enable you to leverage these skills to take advantage of new opportunities.

The CTRC program will:

- Improve your marketability and visibility with the CTRC credential.
- Set you apart from your competition with a unique designation.
- Produce better results for your clients by learning best practices in tax representation.
- Enhance your career opportunities and boost your professional reputation as a thought leader.

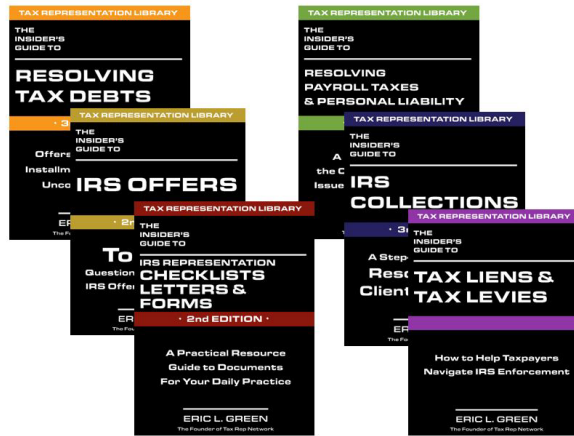

The program consists of 20 hours of IRS Representation training, divided into five modules:

- IRS Audits
- IRS Collections
- Innocent Spouse
- IRS Offers-in-Compromise
- Resolving Payroll Tax Debts

Each module comes with the program materials, sample letters, checklists and forms you can use in your practice, and how to market and bring in clients who need your services.
