Inquiring Minds Want to Know

1. What made you start your own practice
2. Why did you get into Tax Rep work in the first place
3. Can you discuss your growing pains – how rough was it
4. What worked for you in terms of growing, and more importantly, what did you try that did not work
5. How do you market yourself today to find clients
6. How important was networking for your practice
7. What software solutions do you utilize in your practice, and for what tasks
8. Do you maintain a tax preparation practice?
9. If you had to start over today, what would you do differently
